PRIMIS

DOMESTIC WIRE INSTRUCTIONS

Start with your routing number.

Your routing number will help you identify the correct wire instructions for your account.

Find your routing number

In online banking:

- **Digital Customers:** Select **More**, then **Routing Number**
- **Legacy/Classic Banking Customers:** Open your account and select **Account Details**

Then match your routing number to the instructions below.

Routing Number 051409278

Use these instructions if your account shows routing number **051409278**.

Bank Name: Primis
Routing Number: 051409278
Bank Address: 10900 Nuckols Road
Glen Allen, VA 23060

Beneficiary Name: Primis customer's full name
Beneficiary Account Number: Primis customer's account number

Routing Number 051409744

Use these instructions if your account shows routing number **051409744**.

Bank Name: Primis
Routing Number: 051409744
Bank Address: 10900 Nuckols Road
Glen Allen, VA 23060

Beneficiary Name: Primis customer's full name
Beneficiary Account Number: Primis customer's account number

Sending a Wire for a Loan Payment or Payoff?

Use the Primis loan number in place of the beneficiary account number. Include "**ATTN: Loan Services**" with the wire instructions to help ensure the payment reaches the right team.

Need Help?

For help with a domestic or international wire involving your Primis deposit account, call our 24/7 Customer Care Center at **1-833-4PRIMIS (1-833-477-4647)**.
