

PRIMIS

DOMESTIC WIRE DETAILS

As Primis grows to welcome new customers each day, we want to make sure that there is zero confusion when it comes to domestic wire transfers. We have two subsets of accounts: **classic** Primis accounts bank out of one of our branch locations in Virginia and Maryland, and **digital** Primis accounts bank online anywhere in the United States. If you're still unsure where your account falls, we've organized it below:

CLASSIC ACCOUNTS

Primis+ Checking
Primis Ace Checking
Money Market
Business Money Market
Small Business Checking
Business Checking
Business Interest Checking
& More!

DIGITAL ACCOUNTS

Primis Perks Checking
Primis Premium Checking
Primis Novus Checking
Primis Savings
Primis Unlimited Business Checking
Primis Pro Business Checking
Primis Business Savings

Classic and Digital accounts have almost identical steps for wire transfers, but our routing numbers are different. Take a look at the instructions below (pay attention to the routing numbers!) to see what information you need to provide when sending domestic wires to Primis.
