

Direct Deposit Form

Make it Easier to Use Your Primis Accounts

Let us do the work for you. Direct deposit helps automatically add money to your Primis account(s) from your paycheck or any other recurring income. No need to drive to the bank, or use mobile deposit on the app — your funds will be available automatically once we receive notice of the deposit. Get same-day access to your money by setting up direct deposit service at no extra cost.

IMPORTANT: Your employer may need a separate form or a voided check to process your direct deposit request.
