

HURRICANE PREP CHECKLIST

Pack now. Be prepared later.

When it comes to pending hurricane season, preparation is key. Here's a checklist of items to set aside in case of a storm or emergency evacuation situation:

- Bottled Water (1 gal/person/day recommended—3-day supply for evacuation, 2-week supply for home).
- Non-perishable Food (remember a can opener for canned goods) – 3-day supply for evacuation, 2-week supply for home).
- Flashlight and extra batteries
- First aid supplies (Bandaid, Ointment, Disinfectant wipes)
- Medication (7 day supply)
- Toilet paper and bags with ties for sanitation
- Cell phone with charger
- Family and emergency contact information
- Important documents (ID, banking and insurance information, wills, etc)
- Sleeping blanket or warm blanket (1/person recommended)
- Multipurpose tool / knife
- Personal hygiene items (cotton swabs, travel size deodorant, feminine products, etc)
- Battery powered radio (NOAA Weather Radio if possible)
- Cash
- Extra fuel for generator or car
- Whistle for help
- Important documents (ID, banking and insurance information, wills, etc)
- Plastic sheeting and duct tape to help shelter when needed
- Extra pet food when appropriate
- Formula and diapers when appropriate
- Dust mask or cotton shirt to filter air
- Cups and utensils
- Change of clothing
- Rain gear
- Fire extinguisher
- Cards, paper, games – something to occupy your mind helps reduce stress
